

Stretch day at your office.

Assisted stretching means a trained practitioner moves and stretches your body for you. Your team stays in everyday clothes, no oil, on a portable table. Everyone just breathes.

HOW THE PILOT WORKS

01

We agree the format.

Session length, dates and team size. We fit your workday.

02

Employees book online.

Everyone picks a free slot.
No lists for HR.

03

We stretch your team on site.

Our practitioner arrives with a portable table.

WHY IT PAYS OFF

Less tension.

Relief for neck, shoulders and back after long hours at the desk.

A visible health benefit.

A perk your team feels and talks about.

Zero effort for HR.

We bring the table and run the booking.

FORMATS TO AGREE

Short sessions	about 15 min
Longer sessions	about 25 min
